

CACI Ultimate

The CACI Ultimate, as the name suggests, really is the ultimate aesthetic treatment system - here at Enhance we are proud to offer their products to our clients

CACI
NON SURGICAL SOLUTIONS

CACI have long been at the leading edge of technology specialising in non surgical face lift, microdermabrasion and body toning.

The Ultimate CACI Anti-Ageing Facial

Time - 1 hour 30 minutes £80.00

This is the most effective non surgical treatment method to date. This treatment will define facial contours, plump out deep lines and wrinkles whilst re-educating, firming and toning the facial muscles.

- Microdermabrasion with LED Light Technology to resurface and reduce pigmentation
- Micro-current toning to help lift and retain the muscles
- Wrinkle Comb to plump out fine lines and wrinkles – a needle free alternative to collagen injections
- Hydrating Mask rejuvenates and intensely hydrates the skin

The Non Surgical Facelift

As featured on '10 Years Younger' £55.00

- Micro-current is used to lift, tone and re-educate the muscles
- Improves skin tissue
- Softens fine lines and wrinkles with the unique wrinkle comb applicator

Microdermabrasion with LED

Time - 45 minutes £50.00

Unique Crystal free method which resurfaces and brightens the skin, resulting in a younger fresher look

CACI Ultimate Eye Lift

Time - 30 minutes £33.00

- This instant eye lift is fabulous for those concerned with the common signs of ageing around the delicate eye area
- Utilising micro-current there will be visible reduction in crow's feet and wrinkles around the eye area

CACI Hydratone Facial

Time - 30 minutes £33.00

- Specifically developed to provide immediate and intensive skin hydration and face firming
- This is a great SOS treatment that can deliver results very quickly.

CACI Ultimate Anti-ageing Courses

For maximum results a course is highly recommended, please [enquire](#) or ask in salon for prices.

CACI Jowl Lift

Time - 15 Minutes £25.00

A 15 minute treatment that offers a non surgical solution to firm the jaw line. Works to lift, firm and redefine facial contours.

A course of treatment is recommended. Please contact us to discuss your individual needs.
